Financial Services Guide

WHAT IS THE PURPOSE AND CONTENT OF THIS FSG

This Financial Services Guide ("FSG") dated 17 May 2021 is an important document. You should read it carefully and make sure you understand it. This FSG provides generic information about UBS AG, Australia Branch (ABN 47 088 129 613) ("UBS AG", "us", "we", "our") and the services we offer.

This FSG also provides specific information about how you pay for our services. UBS AG is providing this FSG to give you key information about the types of financial services we offer. The FSG is intended to assist you in deciding whether to use any of the services offered.

THE FSG CONTAINS, AMONG OTHER THINGS:

- a summary of the financial services which we are authorised to provide and the kinds of financial products to which those services relate;
- information about the capacity in which we act when providing services to you;
- information about your rights as an investor;
- details on how you can instruct us in relation to your investment;
- information about the Product Disclosure Statement(s) ("PDS") and any Statement of Advice which you may receive from us;
- information about remuneration that may be paid to us and other relevant persons in relation to the services provided;
- information about how complaints against us are dealt with; and
- information which you can request when you are provided with further market-related advice.

In addition to this FSG, you may, from time to time, receive from UBS AG, a PDS, a Statement of Advice ("SOA"), or a Record of Advice.

It is not UBS AG's policy to provide personal financial product advice. If however, you do receive personal financial product advice from UBS AG, you will be provided with an SOA. The SOA will include a statement of UBS AG's advice, the basis for that advice, as well as information about remuneration and fees that UBS AG may receive in connection with giving you the advice and interests, relationships or associations that may influence the advice.

If UBS AG makes a recommendation to acquire a particular financial product (other than securities) or offer to issue, or arrange the issue of a financial product to you, it will also provide you with a PDS. There are a number of circumstances in which UBS AG may not be required to provide a PDS including: where you already have a current PDS; where you hold a financial product of the same kind; where you have access to current information about that

kind of financial product; or where the offer is made under a distribution reinvestment plan or switching facility.

The PDS contains details about the particular product and any significant risks associated with holding the product, any amounts that you must pay, and in the case of products which will or may generate a return, information about any commission or other similar payments that will or may impact on the amount of the returns payable to you.

IMPORTANT INFORMATION IS PROVIDED BELOW IN ANSWER TO COMMONLY ASKED QUESTIONS.

WHO WILL BE RESPONSIBLE FOR THE FINANCIAL SERVICES GIVEN TO YOU?

The financial services listed below will be provided by UBS AG. UBS AG is an Australian Financial Services Licensee under the *Corporations Act 2001* (Cth) (AFSL No. 231087). UBS AG is a participant of Australian Securities Exchange Limited (which operates the market known as ASX 24), ASX Clear (Futures) Pty Limited and Austraclear Limited. It is a foreign authorised deposit-taking institution ("**foreign ADI**") under the *Banking Act 1959* (Cth) and is supervised by the Australian Prudential Regulation Authority. However, it is important for you to note that provisions of the *Banking Act 1959* (Cth) for the protection of depositors generally do not apply to foreign ADIs, including UBS AG, Australia Branch. For example, depositors with foreign ADIs do not receive the benefit of the following protections:

- Deposits are not covered by the financial claims scheme and are not guaranteed by the Australian Government;
- Depositors do not receive priority ahead of amounts owed to other creditors. This means that if a foreign ADI was unable to meet its obligations or otherwise is in financial difficulties and ceases to make payments, its depositors in Australia would not receive priority for repayment of their deposits from the foreign ADI's assets in Australia;

- A foreign ADI is not required to hold assets in Australia to cover its deposit liabilities in Australia. This means that if the foreign ADI were unable to meet its obligations or otherwise is in financial difficulties and ceases to make payments, it is uncertain whether depositors would be able to access the full amount of their deposit.
